

August Nature Programs at Liberty State Park

Monarch Magic!

Wednesday, August 2nd 10:00 AM ~ 11:00 AM

Wednesday, August 16th 1:00 PM ~ 2:00 PM

FREE; Pre-registration required

Come on out to Liberty State Park and get up close and personal with the monarch butterfly! We'll learn all about the life cycle, feeding habits, and migration journey of this amazing little insect! The program will begin in the picnic area located at 200 Morris Pesin Drive.

Explore the Hudson River Estuary

Saturday, August 12th 10:00 AM ~ Noon

\$3.00 per person; Pre-registration required

Join us for a hands-on exploration of the Hudson River Estuary and come try your hand at dragging a seine net. You never know what you may find! Dress to be outdoors and wear old sneakers that can get wet. We will meet at the Park Office located at 200 Morris Pesin Drive and then drive over to our study site. You will need your own transportation to get there.

Summer Shorebird Walk

Sunday, August 20th 10:00 AM ~ Noon

FREE; Pre-registration required

Come on out to Liberty State Park and join us as we search various habitats for a variety of summer shorebirds. Dress to be outdoors and bring binoculars if you have them. We will also have some available to borrow. The walk will begin at the Park Office located at 200 Morris Pesin Drive.

For more information about or to register for any of these programs, please contact the Nature Interpretive Center at 201-915-3400 x202 or email LSPNatureCente@dep.nj.gov. We look forward to seeing you soon.
