To all supporters of Liberty State Park

Please help save the Liberty State Park Shuttle Bus on weekends through Labor Day weekend.

The important LSP Shuttle bus will be abolished 5/31 by NJ Transit. We can help save it by sending 1 email (or 3) to Hudson County legislators and/or making a couple of phone calls. To have no mass transit into LSP would be a travesty.

The Shuttle Bus takes people from the LSP Light Rail Station into and throughout LSP.

Your help is urgently needed to ask legislators to urge NJ Transit to save it, at least ON WEEKENDS through Labor Day. Last summer, each weekend, over 1000 people used the shuttle bus. We thank Hudson County Executive Tom DeGise, the Freeholders, JC Mayor Jerry Healy and the Hudson TMA for calling on NJT to save the LSP Shuttle #305.

Please ask the legislator(s) by email or call to save LSP Shuttle Bus **NJT #305** on summer weekends. We suggest your subject line be: "urge NJT to save LSP #305 on summer weekends".
