**YOUR URGENT ACTION IS AGAIN NEEDED TO SAVE LIBERTY STATE PARK** from this secret deal for a Massive "Millionaires' Marina" along the non-commercial, peaceful family picnicking Southside - right behind Lady Liberty (the Flag Plaza Lawn/jetties/ Caven Point Side) with its priceless harbor views in all directions.

Please email NJDEP Commissioner Bob Martin at [commissioner@dep.nj.gov](mailto:commissioner@dep.nj.gov) and/or call him at 609-292-2885 and/or fax him at 609-292-7695 to strongly oppose, even in one sentence, a massive commercial marina along LSP's entire non-commercial peaceful Southside, and to demand public hearings.
