Join us for a beach walk and scavenger hunt at Caven Point Beach! We will meet in Lot #1 on Morris Pesin Drive and then walk over to our beach area. This program is recommended for all ages who are comfortable walking the two-mile round trip distance. The terrain is flat but trail surface type varies. Children must be accompanied by an adult for the duration of the program. Please dress to be outdoors and wear closed toed-footwear. *All ages welcome.*

*Pre-registration is required for all programs. Space is limited. Face coverings are required and social distancing guidelines will be maintained throughout the program.**

For more information or to register for a program, please contact the Nature Center at 201-915-3400 x202 or email LSPNatureCenter@dep.nj.gov. Children must be accompanied by an adult. Groups are limited to a maximum of six.

***Exceptions for individuals when a face covering would inhibit health and safety or for children under two years of age. Liberty State Park must be notified at the time of registration if an exception is needed.**

Any person planning on registering for this program, must agree to follow the CDC guidelines regarding visiting parks, which are: 1) Not attending if you are sick, have tested positive for COVID 19 and haven't recovered, or have been recently exposed to COVID-19; 2) Wearing a face covering (i.e., cloth or disposable mask that covers mouth and nose); 3) Staying at least 6' away from people not in my own family group, and 4) washing (with soap and water) or sanitizing hands before and after the program.
